Dear Sir

Please refer to your letter dated March 9, 2017 addressed to RBI on "Shifting of G-Sec portfolio and writing off the losses". In this connection, you are requested to provide details of holding of government securities by the member UCBs, over and above the mandatory SLR requirements, and the estimated losses. The details may be provided as on September 30, 2016, December 31, 2016 and latest available date in 2017.

This may please be treated as very urgent.

Thanks and regards
